

Call Axiom Medical 24/7 for Immediate Assistance

If you think you have been exposed to or have symptoms
of COVID-19 (fever, cough, or shortness of breath),
which may appear 2-14 days after exposure.

877-502-9466

Axiom Dispatch will gather information in the initial call and assign the case to an Axiom team member.

An Axiom team member will assess risk and follow contagious disease protocol. They will refer the employee to their personal physician or ER as needed.

Axiom will assist with Return to Work when appropriate.

Time is of the essence - Report all concerns as soon as possible.
